67276	Lettuce Romaine Hearts 	48 ct	\$16.29

LEAF LETTUCE

Romaine and Green leaf supplies remain adversely affected by the stretch of cold weather in December. Like Iceberg lettuce, the softer leaf items suffer from epidermal blister and peel. There is no head for the outer leaves of Romaine and Green Leaf to protect. Removal of the frost-injured outer leaves sacrifices a good portion of the open plant, and the result is lightweight product and reduced yields.
